

Youth Gun Violence Prevention Course

Marion County, IN

Monday thru Wednesday
5:00 pm-7:30 pm EST

The purpose of our Youth Gun Violence Prevention Course is to educate youth ages 13-18 about the medical, legal, and social consequences arising from acts of gun violence. We discuss the impact of trauma and other adverse childhood experiences on our decision making, the tragic reality of gun violence in our lives and share Ideas how participants can create a hopeful future for themselves. Youth will become certified in Stop the Bleed upon successful completion of the class.

The class is a 7.5-hour program taught over the course of three consecutive days. The session are led by representatives from Connections, Inc., with guest presenters from the Indianapolis Metropolitan Police Department, the Marion County Indiana Prosecutors Office and the Marion County Indiana Public Defenders Office.
